From the Editors

May this, the third volume of the Wings, always serve to remind you of the days spent at Central. May it remind you of the knowledge we gained in our classes and of the fellowship we found through clubs and activities. Let us ever remember the pride we felt as we saw our football team charge upon the field or heard our band in blue and gold play our Alma Mater.

May this, the 1962 Wings, be your yearbook of fond memories.

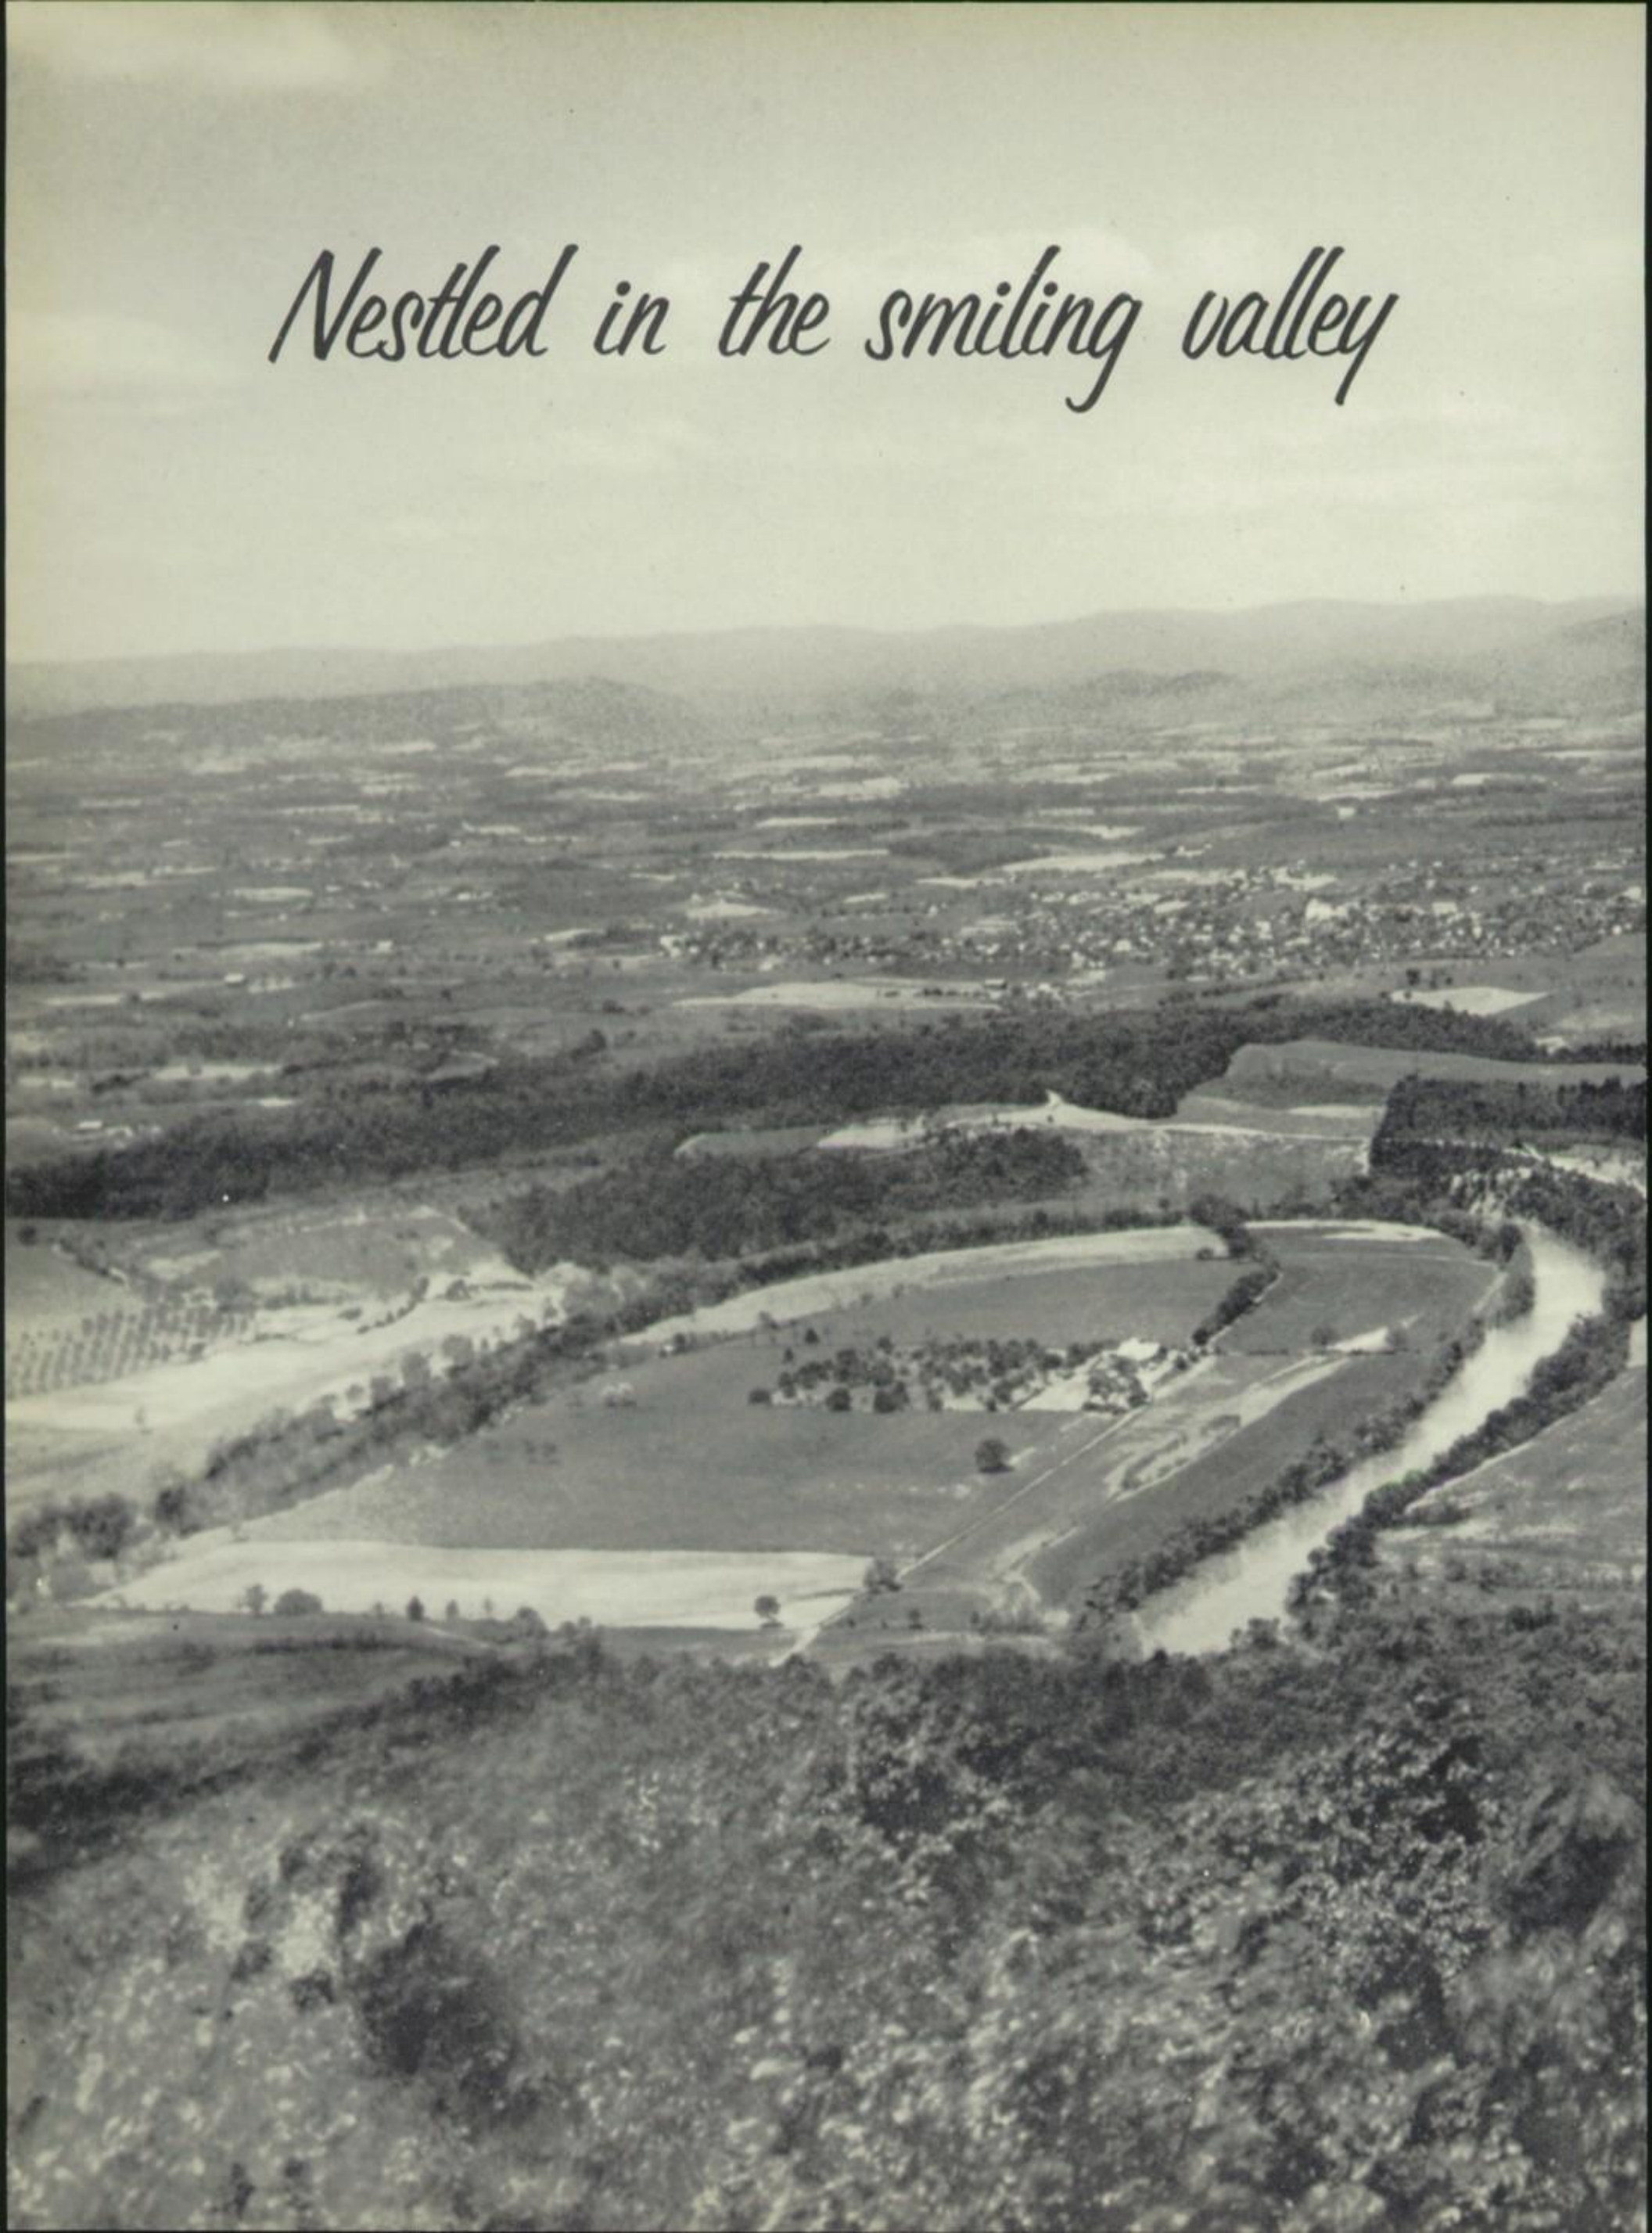
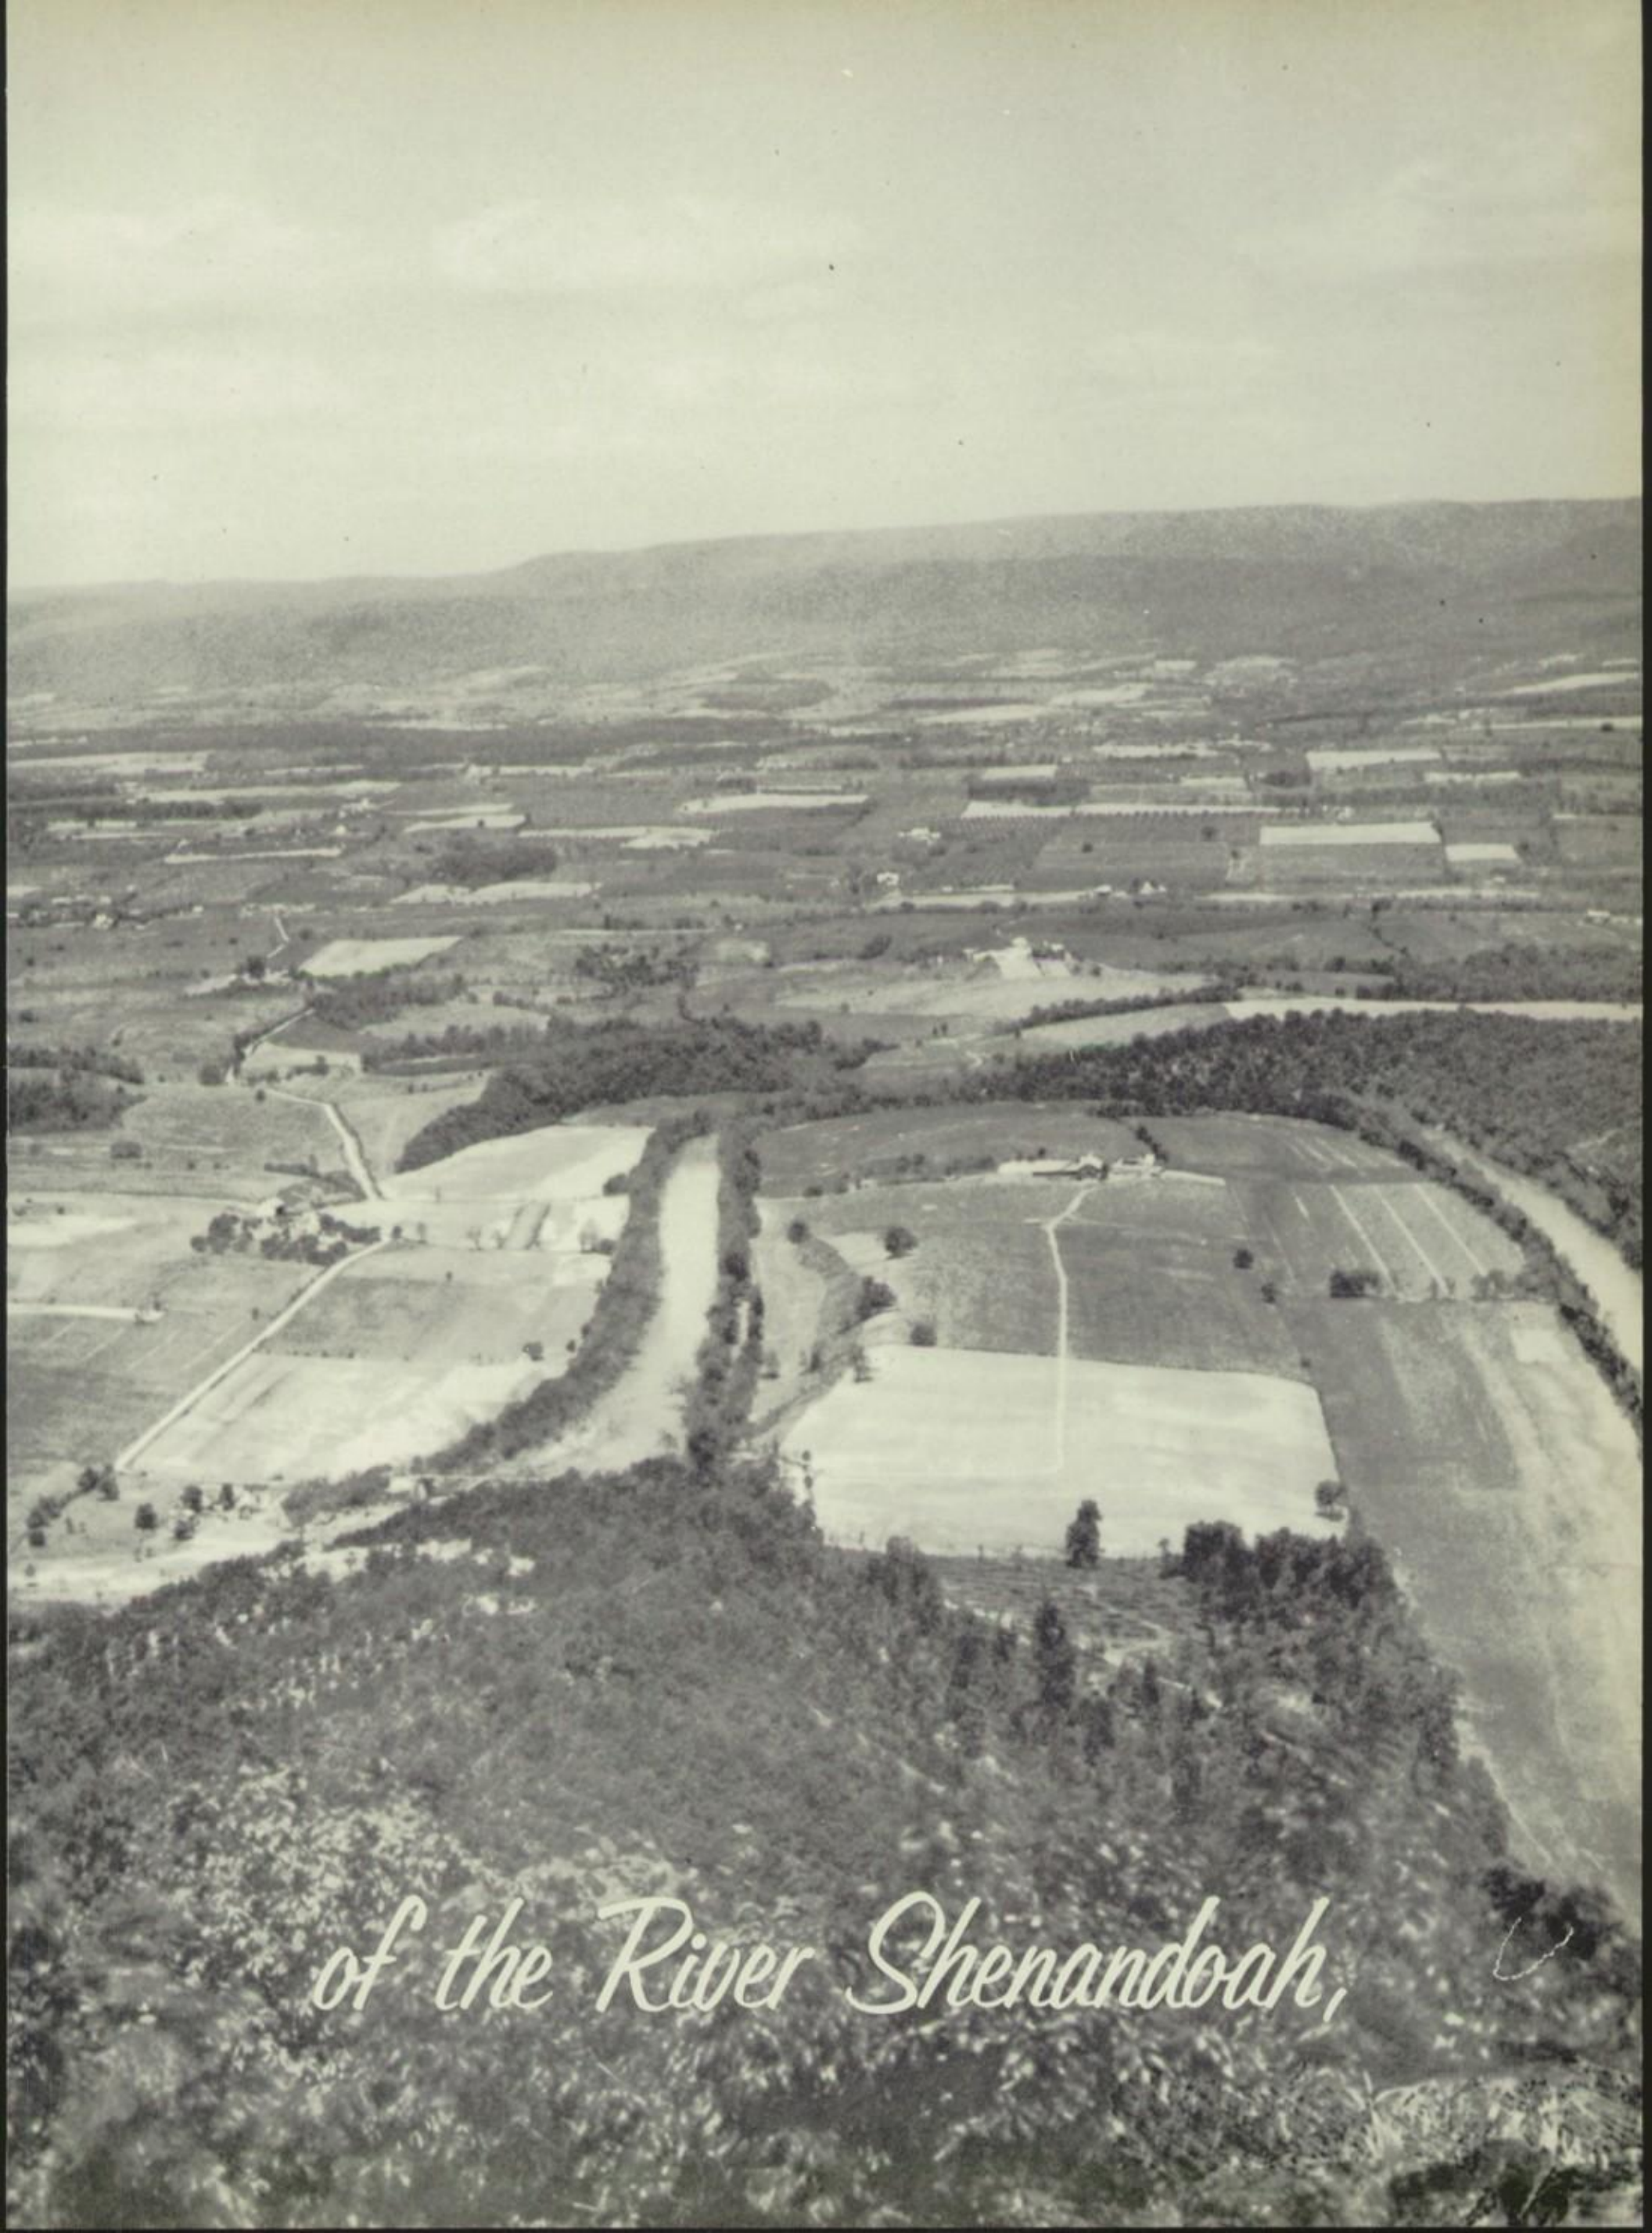
Dedicated To . . .

In sincere appreciation of many years of service, we, the students of Central High School, dedicate the 1962 WINGS to Miss Margaret Magruder and Mrs. Bragg Moyer. We hope that this dedication will in some measure express to each our gratitude for her willingness to help students as teacher, friend, and sponsor. To Miss Magruder for her patient assistance in the library, and to Mrs. Moyer for her many years of creative teaching, we pay tribute.

Though the halls of Central will see new students and new teachers and will witness new ideas and changes, the influence of these two cherished teachers will always remain.

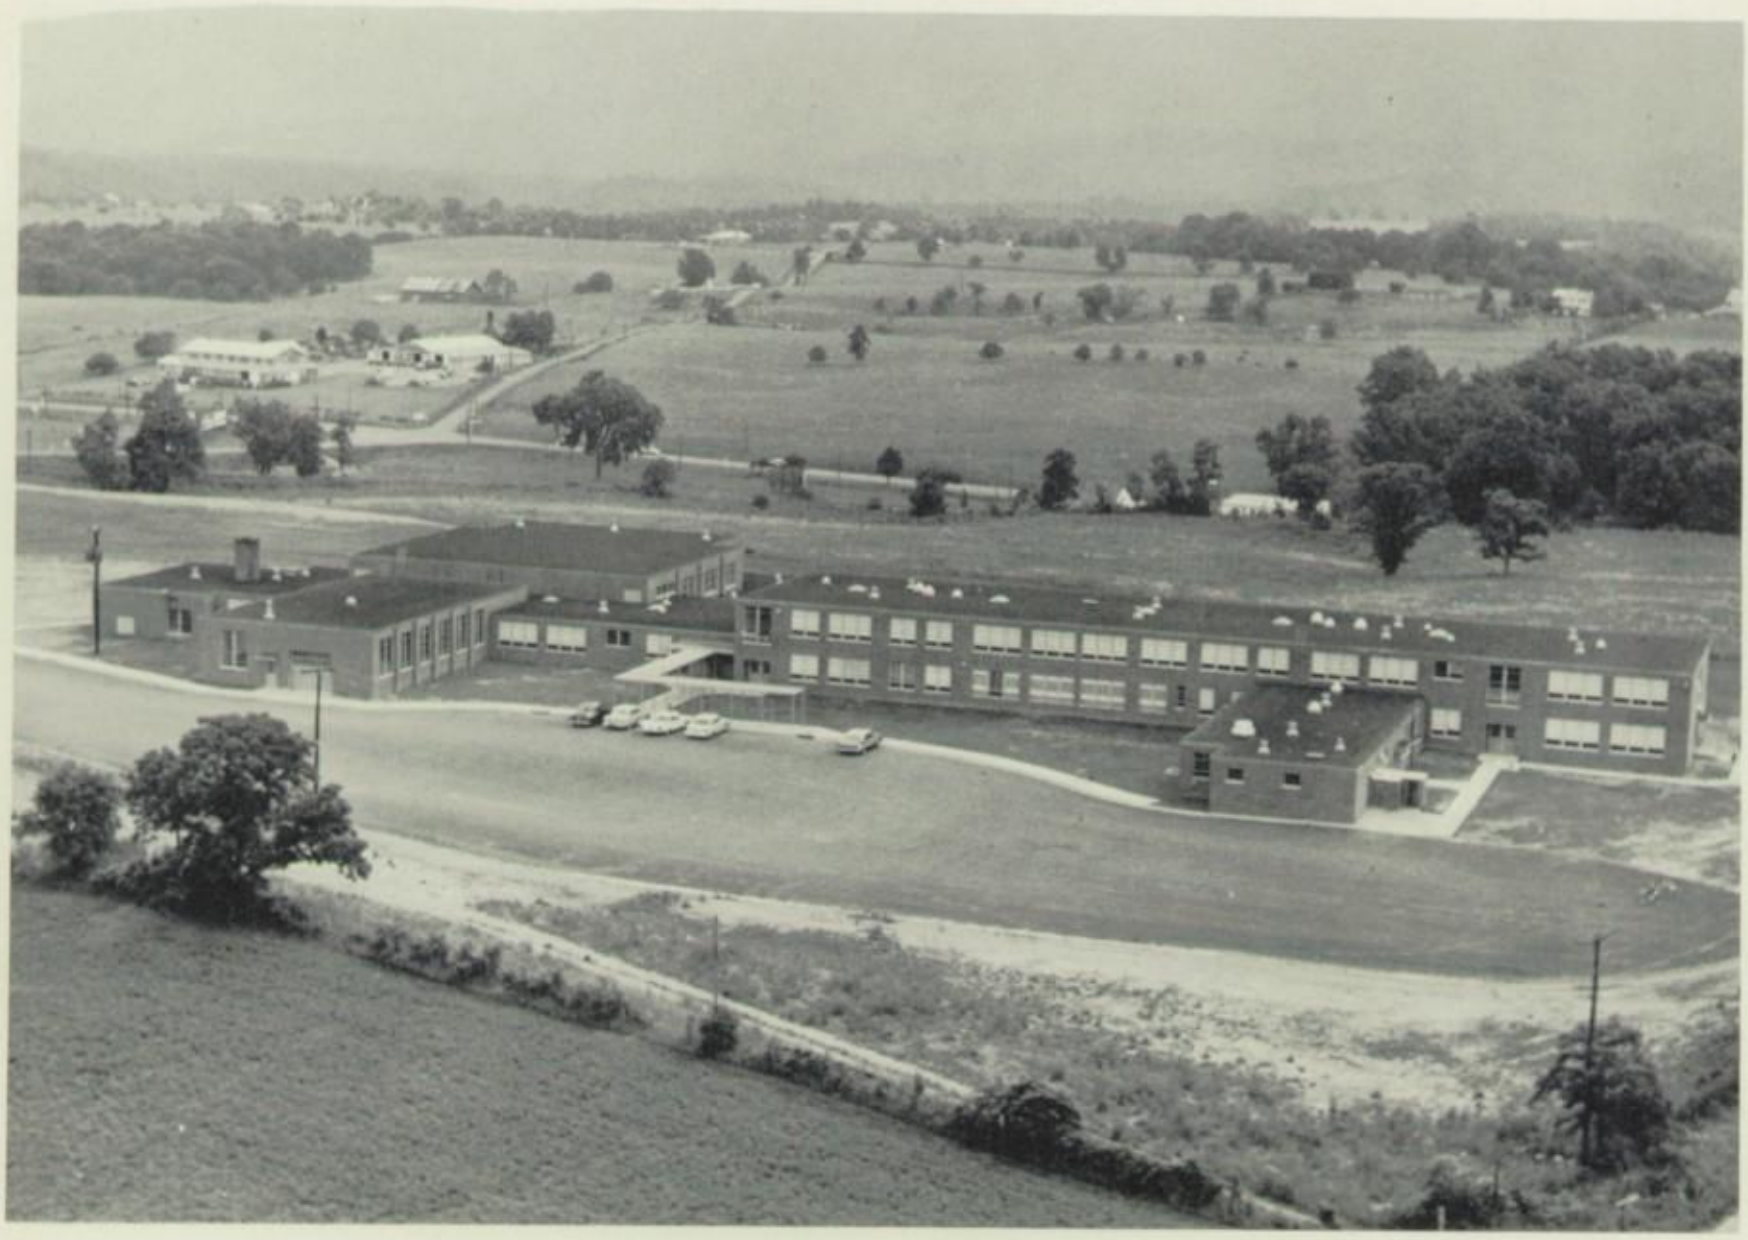


Nestled in the smiling valley

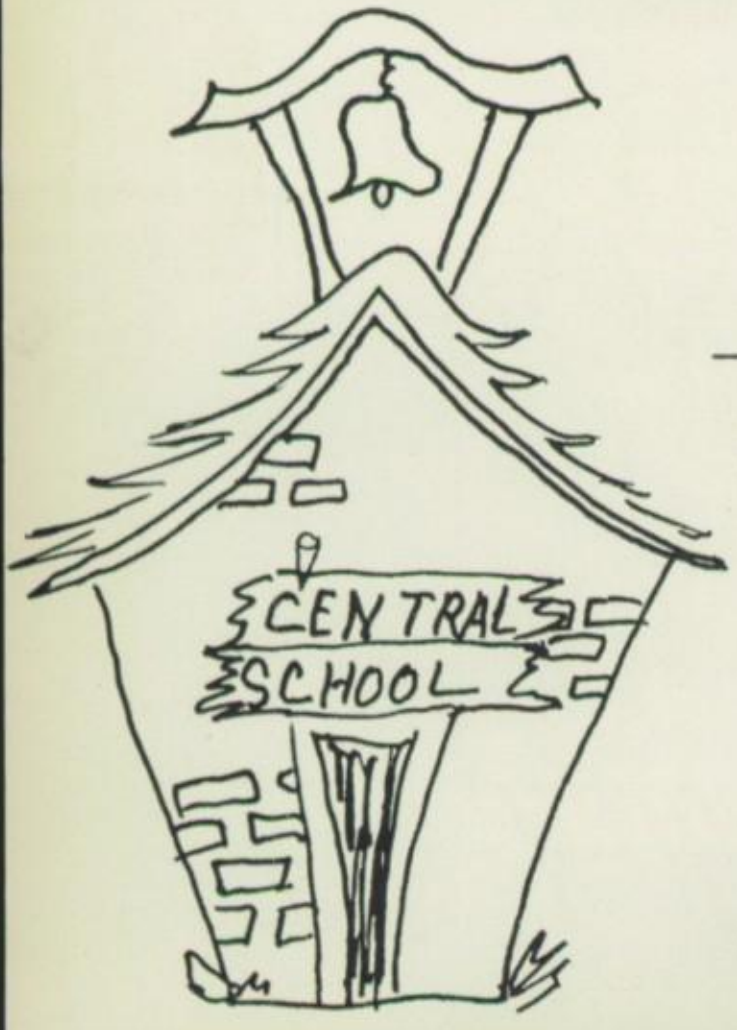


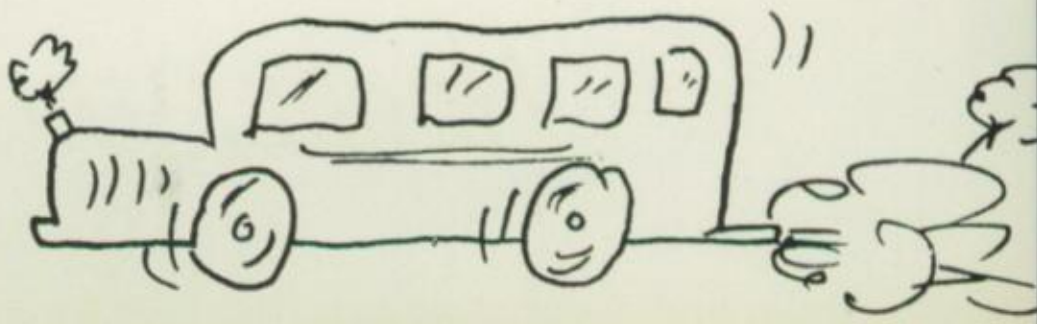
of the River Shenandoah,

There stands our Noble Alma Mater



CENTRAL HIGH SCHOOL





To thee we pledge our loyalty,

As the Fighting Falcons charge on the field, we remember that sports develop strong qualities in young people.

Honor, trust, integrity.

Take the blue of yonder mountains

We can see the blue of the mountains from every window in school.

This tumbling brook is just below the water-wheel at Mr. Sam Clarke's.

and the gold of God's own sun

Our Colors wave majestically

We are proud to have these girls wear our school colors. As we follow their cheers we are constantly reminded of our blue and gold.

We face what will with courage true

As we walk the winding road of life toward an uncertain future, we leave many pleasant associations behind us at every place we stop.

1961 GRADUATES

Grateful hearts we leave with you.

On behalf of the Shenandoah County School Board and the School Administrative Staff I wish to congratulate the senior class on the preparation and publication of this excellent yearbook. The seniors in any school must assume responsibility for effective student leadership and for establishing the pattern of student attitudes and ideals. This yearbook is one of the many indications that the members of this class have been particularly successful in measuring up to their responsibilities. The spirit of cooperation exhibited between students, advisors, and teachers points up the fine relationship which exists in the school. The initiative, the enthusiasm, and the effort, expended by all those who contributed to this yearbook, when projected into other avenues of life will result in many worthwhile accomplishments. We extend our sincere best wishes to all.

This annual is indicative of the quality of workmanship, cooperative effort, dedication to purpose, organizational ability, and loyalty to worthwhile goals so ably exemplified by this graduating class of 1962. Congratulations are certainly in order to the staff of this fine publication. Only through endless hours of toil by this staff can we enjoy an annual of such superb quality.

Your teachers and I feel a great sense of accomplishment in having been allowed the honor of helping to guide you during your years of maturing to adulthood. We express our well-founded confidence in you and your ability to solve personal and world-wide problems for the betterment of mankind.

I wish for you and yours the best of everything.

BOYS' STATE

Bob Wilkins, Doug Dellinger,
Dexter Wolford

The American Legion Boys' State and the Virginia Girls' State sponsored by the American Legion and the American Legion Auxiliary were established in 1939 to teach the youth of Virginia the basic fundamentals of democratic government. They are held annually at Radford College and V. P. I. for one week in July. During this time delegates to State are elected to the state offices of Governor, Lieutenant-Governor, and Attorney General, and then operate a mock government. At the conclusion of the week, the future citizens of Virginia are more familiar with their government and are better prepared to meet the challenge of operating their state and local governments.

The members of the Blue Ridge Scholarship Club, an affiliate of the National Honor Society, are Central's top scholars, and must maintain good citizenship and at least a B average in scholarship. The club, sponsored by Mrs. Moyer, encourages its members to further their education after high school. A scholarship is awarded by the club to a worthy college-bound senior. The members of the club also donate food which is taken to a needy family at Christmas.

The purpose of the F. T. A. club is to give opportunity for students to explore the opportunities in education as a career; to evaluate their own aptitudes, capabilities and interests as prospective professional educators; to interest the most capable in education as a lifetime career; and to develop student leadership.

The F. T. A. has joint meetings with other F. T. A. clubs, sends delegates to the state convention, and gives a scholarship to a worthy senior who is planning to be a teacher.

Vocational Office Training is a program in which businessmen cooperate with the school in training students for office jobs. Students attend morning classes at school and work at a job-training station in the afternoon.

Only senior students who are at least partially trained in business subjects are eligible. They must have an overall average of "C" or better to enroll in V.O.T.

The student works five days a week from 2:00 to 5:00. Students receive school credit for their on-the-job training as well as credit for their classroom instruction. A total of two credits is given for the course.

This program provides specialized training for office jobs. It also provides an opportunity for the student to find his real job interest while still in school. V.O.T. enables a student to earn while he learns.

The instructor makes regular checks on the student to see how he is progressing. She discusses with the employer and the student, the problems that the employer and the student are encountering. The student is graded according to his work in the office and in class.

The D.E. Club and the D.O. Club are composed of members of the Distributive Education Class and the Industrial Cooperative Class respectively.

The purpose of the clubs is to give students knowledge, training and experience in preparation for employment after graduation. The clubs participate in county, district, and state, as well as national contests.

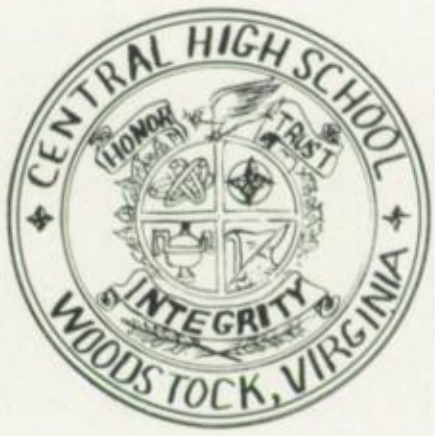
THE WINGS STAFF

Mrs. Swartz, Advisor



This is the seal which Dexter Wolford drew with the assistance of some of the members of the annual staff. Taking the design from our school rings, Dexter devised the seal for the cover of the annual. The seal is used again on the title page.

Since then, the seal has become the official school seal and has been used on the masthead of the "Centralite."

In years to come you may see this seal on letterheads, jackets, uniforms, and other places requiring a seal.

FIRE INSURANCE COMPANY

Fire, Lightning, Extended Coverage, and Builders' Risks

Mutual insurance provides low-net-cost protection to selected risks---careful people who don't expect to have a fire, and who willingly take common-sense precaution to prevent disaster.

If you can qualify for this preferred group, we have good news for your pocketbook!

Before you buy any insurance, check with us. Learn whether you can qualify for low-cost Mutual protection.

WE HAVE BEEN PROVIDING THE INSURANCE YOU NEED PLUS THE ECONOMY YOU WANT SINCE 1876.
